2. BUYER'S RIGHT OF CANCELLATION.

A. The buyer may cancel the contract without penalty:

- 1) If Resale Certificate (or notice that Resale Certificate is unavailable) is delivered to the buyer or their agent **before** the contract is ratified:
 - a. Within a number of days agreed upon by the parties in the contract, to begin counting the day after the ratification date and lasting until 9:00 PM the final day; **OR**
 - b. If no time period is specified in the contract, three (3) days, to begin counting the day after the ratification date and lasting until 9:00 PM on the third (3rd) day.
- 2) If Resale Certificate (or notice that Resale Certificate is unavailable) is delivered to the buyer or their agent **on or after** the contract is ratified:

- a. Within a number of days agreed upon by the parties in the contract, to begin counting the day after the delivery date and lasting until 9:00 PM the final day; **OR**
- b. If no time period is specified in the contract, three (3) days, to begin counting the day after the delivery date and lasting until 9:00 PM on the third (3rd) day.

3) At any time prior to settlement if the buyer has not been notified that Resale Certificate will be unavailable, and Resale Certificate is not delivered to the buyer or their agent.

B. Should the parties agree that the buyer has zero (0) days to cancel the contract, such agreement does not constitute an automatic waiver of the right of cancellation. In this event, the buyer has until 9:00 PM on the ratification date (or date of delivery, whichever is applicable) to cancel the contract unless paragraph (2)(A)(3) applies.

C. Written notice of cancellation will be provided to the seller in accordance with the terms of the contract. In the event of a dispute, the buyer will have the burden to demonstrate delivery of the notice of cancellation.

D. Cancellation without penalty means that all deposits and escrowed funds, such as the earnest money deposit (EMD), will be refunded to the buyer promptly upon the buyer's delivery of their notice of cancellation. The parties must execute a release of contract to effectuate this refund.

E. The information contained in Resale Certificate will be current as of the date specified within Resale Certificate itself. The buyer, or buyer's agent, may request a financial update of Resale Certificate if it is no more than twelve (12) months old. However, the request or receipt of an updated Resale Certificate will not extend the buyer's rights of cancellation. **Delivery of an incomplete or outdated Resale Certificate still constitutes valid delivery.** There is no requirement that Resale Certificate be current as of the ratification date and Resale Certificate does not expire.

F. The parties may extend the buyer's right of cancellation by ratifying *Extension of Review Period For Resale Certificate Addendum* or other comparable addendum. Any rights of the buyer to cancel the contract are waived conclusively if not exercised within the right of cancellation period or prior to settlement. The failure to receive Resale Certificate will not excuse any failure to comply with the provisions of the declaration, articles of incorporation, bylaws, or rules or regulations.

G. If the property is governed by more than one association, the timeframe for the buyer's right of cancellation runs from the date of delivery of the last Resale Certificate.

Broker can counsel the buyer on real estate matters, but if legal advice is desired with respect to the contents of the Resale Certificate, the buyer is advised to seek legal counsel.
