A listing broker/agent shall have written authorization of the owner of property to install or use Lockbox. Nothing shall prevent the owner's right to refuse to use Lockboxes and Keys to provide access to property.

For as long as Holder has an active Key, DR shall maintain supervisory authority over Holder.

Pending a hearing on refusal or revocation, the Association may suspend the right of a Holder to use Key following his/her arrest and prior to his/her conviction for any felony or misdemeanor which, in the sole determination of the Association's Board of Directors, relates to the real estate business or which poses a potential risk to clients, customers, or other real estate professionals. Any period of suspension prior to an opportunity for a hearing on this issue shall be kept to the minimum period of time deemed reasonably feasible by the Board of Directors in its discretion.

Factors that can be considered in making such determinations with respect to refusal or revocation include, but are not limited to:

- i. the nature and seriousness of the crime;
