# NVAR Global

- NVAR Global represents the Association's strategically focused international activities in Northern Virginia and across the globe.
- The goal is to increase our members' awareness of global business opportunities — both inbound and outbound — and to attract international investment to our incredibly diverse and culturally rich region.
- NVAR Global consists of many initiatives, such as NVAR's Cultural Forums, Global Success Month, educational events and resources for Realtors®, Certified International Property Specialist (CIPS) training, and more!

# DIAMOND Status!

## National Association of REALTORS® (NAR) Global Achievement Program

### What DIAMOND Status Means

The NAR Global Achievement Program is designed to recognize and reward the most active associations in global business. Among the over 130 global business councils nationwide, DIAMOND-status organizations have demonstrated the utmost commitment to:

- Helping members capture a share of the global real estate market in the United States!
- Connecting their council and members to the global community in their local area!

The program divides participating councils into four status classifications: Silver, Gold, Platinum, and the highest honor, **Diamond!**

**Thank You**
